The Committees and Sections of the Bar Association allow persons with common interests to share discussions, undertake activities, enjoy camaraderie with others in the legal profession, and advise and offer recommendations to the Association's officers and directors. *Committees* assist the officers and directors in planning and carrying out the day-to-day operations and activities of the Association. *Sections* carry out similar activities, related to specific areas of practice. You are encouraged to join one or more committees and sections AT NO ADDITIONAL COST OR FEE, since your involvement is vital to the Association's activities and we value your participation.
